DAUGHTERS WANT WOMAN'S COLLEGE

Virginia Division, While Endorsing Plan, is Non-Committal.

URGE NEW TEXT BOOKS

Organization Champions Movement for Monument to General Stonewall Jackson.

Richmond, Va., Oct. 3.—The following were elected officers of the Virginia Division United Daughters of the Confederacy today:

President, Mrs. S. A. Ridick.
Vice-President, Mrs. J. E. Alexander, of Alexandria, Miss Alice Cowan, Mrs. B. A. Blenner, Mrs. Cabell Smith.
Treasurer, Mrs. L. B. Allen, Salem, Va.
Registrar, Miss Lucy H. Wood. Amelia.
Secretary, Mrs. W. C. N. Merant, Chatham.
Custodian Crosses, Miss Lucy Berkley, Haymarket.
Recorder crosses, Mrs. James E. Alexander, Alexandria.
Custodian Virginia Dvision Badge, Mrs. James M. Garnett, Baltimore.

Richmond, Va., Oct. 3.—Resolutions were adopted yesterday by Virginia Division, United Daughters of the Confederacy, strongly endorsing the proposal to establish a co-ordinate woman's college at or near the University of Virginia. This question, so bitterly contested before the General Assembly in 1912, has enlisted the hearty support of the Daughters. There was no division of sentiment when it was brought before the annual convention at the morning session. While the organization does not bind itself to any particular bill, the cause found many champions.

Mrs. Phillip F. Yeatman, of Norfolk, urged that the woman's college be called by a specific name, so as to accentuate its co-ordinate character, after the maner which obtains at Oxford University. The convention indorsed that, too.

The most beautiful part of the program yesterday afternoon was the introduction to the convention of the three children's chapters—the Chesterfield, the Lee and the Grandchildren's Chapters. All the girls, about one hundred of them, were dressed in white, with red roses and ribbons in their hair.

Mrs. Merchant, recording secretary and chairman of the Shiloh Monument committee, presented the Chesterfield Chapter with a gavel made from the wood taken from "Beauvoir"", the home of Jefferson Davis.

At the morning session the convention put itself on record as favoring the adoption of certain text books relating to the history of the South for use in public schools, and passed a resolution urging that they be placed on the school list. The text books favored by the convention are as follows: "Makers of American History" and "Makers of Virginia History," by Chandler and Chitwood; Williamson's "Life of Lee" and his "Life of Jackson"; "Half Hours in Southern History," by Prof. J. L. Hall, and a "History of Virginia," by John Esten Cooke. For use in high schools only the list includes "Virginia's Attitude Toward Slavery and Secession," by B. B. Munford; "Political Opinions of Thomas Jefferson," by J. W.Wayland; "Southern States in The American Union," by J. L. M. Curry; "The South in the Building of the Nation." ten volumes, for reference work by Chandler and others, and "Southern Writers," by W. P. Trent.

The Rev. James Power Smith, D D., the only surviving staff officer of General Stonewall Jackson, appeared before the convention to ask its co-operation with the Stonewall Jackson Monument Corporation. He made a short plea, and said that the monument erected in the hearts of all Virginians to General Jackson should take more concrete form. He advocated the erection of an equestrian statue to the great leader and was loudly applauded. By a rising vote the convention expressed its willingness to co-operate.

NEWS OF THE DAY.

Should a strike of engineers and firemen on the New York, New Haven and Hartford Railroad be ordered, Governor Foss will ask for a special session of the Massachusetts legislature to enact laws to prohibit all strikes of railway employes within the Commonwealth.

An attempt to wreck the Potter Enterprise at Coudersport, Pa., was made early yesterday. A heavy charge of dynamite was exploded under the typesetting machines. The sides of the building were blown out, but the machines were only slightly damaged. No one was in the building at the time. The force of the explosion broke windows in surrounding buildings. To explode the charge a tunnel had been made from an alley way under a wall. There was no basement under this part of the building. The Enterprise is published by M. T. Stokes, who was formerly engaged in newspaper publishing in Ohio. The paper has been conducting a very vigorous campaign on local issues.

Jose and Alberto Ortiz, sons of Deputy Sheriff Candelario Ortiz, of Dimmitt county, Tex., for whose murder thirteen Mexicans and one American, alleged gun smugglers, are on trial at Pearsall, Tex., have asked to be appointed executioners in case the death penalty is imposed on any of the defendants, and Sheriff Hess has agreed to allow them to assist him.

SUSPECT DISMISSED.

Colored Woman Fails to Substantiate Her Allegations.

A special session of the Police Court was held at four o'clock yesterday afternoon to investigate a charge which had been made by Cecelia Thomas, colored, against Jack Washington, colored. The woman, it will be remembered, was found in a drunken stupor on a doorstep on Henry street, between Duke and Wolfe, at a late hour last Saturday night. Her head had been cut, and several stitches were taken in the wound at the Alexandria Hospital. The woman suspected Washington with assaulting and robbing her. She was represented by W. E. Fendall.

According to her statement, she entered a saloon in the southwestern section of the city, but did not know exactly where or who conducted the saloon. She took four drinks of gin and later found herself near a railroad track. She alleged she had been struck on the head, her stocking cut and over six dollars taken from her.

Washington stated that the woman met him in the northwestern section of the city early Saturday night, and giving him a quarter asked him to enter a saloon and purchase half a pint of gin for her. He procured the liquor after which she left him. He did not see her again he said, until he found her on the doorstep, and with the aid of a colored man named Dixon, picked her up. This was about midnight. She however, was unable to stand. He stated that her head was not cut at that time. Washington explained his presence in the southwestern part of the city at that hour by stating that he is an employee at the brick yard and was returning from that vicinity after transacting business in connection with the yard.

There being no evidence to show that Washington had assaulted the woman, and as she was mazy concerning her Saturday night's experience, the suspect was dismissed. The woman, however, was fined $5 for drunken and disorderly conduct Wednesday night while on another jamboree.

INJUNCTION IS REFUSED

Bar License For Fair Declared to be Legally Granted.

JUDGE IS SUSTAINED.

Judge Keith Disposes of Contention That License to Sell Liquor at Fair Was Irregular.

Richmond, Oct. 3.—An injunction to restrain the Virginia State Fair Association, Inc., from the use of the license for the sale of liquor on the Fair Grounds, heretofore granted by the Circuit Court of Henrico county, was refused by Judge James Keith in the Supreme Court of Appeals of Virginia yesterday. The petition was presented by W. A. Willeroy, a former member of the House of Delegates, as counsel for two complainants. Hill Carter appeared for the Fair Association. After hearing brief statements from the attorneys, Judge Keith took all the papers under consideration in his office, and some hours later returned them with the indorsement over his initials: Refused."

It is, of course, possible though hardly probable, that Mr. Willeroy may apply to some other judge of the Supreme Bench.

On Wednesday Mr. Willeroy presented his petition before Judge R. Carter Scott, in the Henrico Circuit Court, who, after a full hearing, refused the injunction. It was from that decision that an appeal to the Supreme Court was taken. Judge Scott decided that the provisions of the State law in regard to license for the sale of liquor had been fully complied with when the license was granted to the Fair Association. All of the affidavits and record presented in the lower court were laid before Judge Keith. The complainants of record, represented by Mr. Willeroy, were W. C. Smith and W. L. Wingfield, who asked the injunction on the ground that the license had been illegally secured; that the Fair Association has no right under its charter to engage in the liquor business, and that there was not, at the time the license was granted, the required population within a half mile radius of the Fair Grounds.

PRESS ASSOCIATION.

Alexandrians Will Attend Special Meeting in Richmond Tonight...

Bearing letters from the Mayor, the Chamber of Commerce, and the Retail Merchant's Association, asking that the next convention of the Virginia Press Association be held in Alexandria, Alexander J. Wedderburn, Robert S. Barrett, Lewis H. Machen and Frank Lyons left here this morning for Richmond, where they will attend a special meeting of the association which opens in that city today. The members of the Virginia Press will be the guests of Colonel John Murphy at the opening of his new hotel and will be tendered a banquet tomorrow night. Colonel Murphy has also offered prizes of $100, $50 and $25 for best assays on "How to Build up the Commonwealth," to be competed for by members of the association.

WILL HAVE ANOTHER SALE.

From the price list in the advertisement of F. B Howard & Bros., another "reduce your cost of living sale" is to take place tomorrow. The great success of this new firm consists in giving the people of Alexandria fresh, good food products at lowest prices which is appreciated by the buying public who patronize the Howard store liberally. Mr. Howard's policy of the best for the least money is attracting much trade to their store.

ALEXANDRIA SCHOOLS.

Correspondent Says Workingmen May Put up Candidates for Council.

A letter from this city to the Richmond Union News says:

Early last spring the Alexandria Trades Council and its allied organizations in conjunction with several of the fraternal organizations of the city, realizing the then congested condition of the public schools and that unless some steps were taken to provide additional room by fall, that all of the school children would be unable to gain admission at the beginning of the fall term, started an agitaton for the erection of a new high school building, which would effectively relieve the situation. At that time many of the scholars of the schools were attending only half a day, when they should have been attending all day, and in some of the rooms there were as many as sixty scholars. The City Council had under consideration for many months a proposition to provide for the erection of a new building, but up to that time no action had been taken.

The labor and fraternal organizations appointed committees and requested a hearing before the joint Committee on Schools and Finance. At this hearing the conditions of the schools were brought to the attention of the above committees and Council was urged to take immediate steps to provide for the erection of a new building. The committee did finally, about the middle of the summer, make a report, but without making any recommendations or providing any plan. It did, however, suggest what might be done in the direction of providing a building.

The Common Council took the matter up at once and adopted a plan proposed by Councilman J. Y. Williams, making provision for the erection of a new high school. The Board of Aldermen rejected this plan and the matter was referred to a Conference Committee consisting of Councilmen J. T. Harrison, and J. Fred Birrell, and Aldermen Henry K. Field and Kenneth Ogden, and though Council has been in adjournment for several weeks, no meeting of this committee has as yet been held.

As a result of this unnecessary delay on the part of our City Council, and more especially on the part of the upper branch of the body, a number of children were refused admission to the schools this fall. As the majority of the children attending the public schools are those of the working people, the matter is keenly felt by them and some of the members of the Council are coming in for some severe criticism. It is even hinted that unless proper steps are taken at the first meeting of the Council in October to relieve the situation candidates will be put in the field at the next election against those members who are responsible for the delay.

Why the Conference Committee has not held a meeting since the adjournment of Council is not known. Mr. Field is chairman of the committee and why he does not call the committee together, especially as some members of Council seem to be opposed to the adoption of the Williams plan because they had not had time to give it the consideration they desired, no one seems to know.

One thing is certain, the working people of Alexandria are becoming impatient and a movement is already on foot to have them all pay their poll taxes by December, so that they will be able to play an important part in the election next spring.

HELD FOR GRAND JURY.

Samuel Bowman and Charles J. Berg, suspected of robbing W. H. Burkecamp of between sixty and one hundred dollars on a train near this city a few days ago and who were turned over to the Fairfax authorities have been held for the action of the grand jury. George Williams, who was arrested as a party to the alleged robbery, and who with Bowman and Berg had been placed in the station house in this city, made his escape Tuesday morning.

CRUDASE AGAINST LIQUOR AT THE FAIR

Nearly Every Rural Methodist Church in Virginia to Act.

THREATEN BOYCOTT.

Will Not Purchase Goods of Manufacturers Who Decline to Uphold Concerted Movement.

Richmond, Va., Oct. 3.—Practically every rural Methodist Church in Virginia will take action Sunday similar to that taken by the Union Station congregation a week ago and go on record simultaneously as opposed to the sale of liquor at the State Fair grounds, according to Dr. S. C. Hatcher, of Randolph-Macon, who was in Richmond yesterday.

Dr. Hatcher said that he was informed that ministers in the great majority of the country churches would preach Sunday against the sale of liquor at the Fair grounds here next week, and that many of them would call upon their congregations to express in public a determination to refuse it their patronage so long as it licensed the sale of liquor.

It is understood also that numbers of country merchants have expressed an intention to refuse to deal with manufacturers of agricultural implements who exhibit hereafter at any fair which allows the sale of liquor upon its grounds. This does not apply to those exhibiting this year.

The latest to act are the Goochland Baptist churches at Johnson Springs. The resolution follows:

Believing that the state is a unit of government and that the people should have a voice as to whether intoxicating liquors should be sold at the fair grounds or not; and, whereas, we know that numerous protests have been hurled by the best of our citizens against sale of liquor on the said fair grounds; and, whereas, we believe the issuance of a license for the sale of the same is illegal; and, whereas the fair grounds are thereby made an unfit place for our ladies and Christian gentlemen,or for our boys and girls;therefore, be it

Resolved, That no member of Goochland or Barea churches atter the State Fair until the fair authorities cease to thus desecrate the grounds by the sale of liquor.

By unanimous vote of Goochland and Barea Baptist churches, September 28, 1913.

TIMELY SUGGESTIONS.

Community Called Upon to Vie With Health Authorities.

The Health Department would be grateful if persons living in the neighborhood of houses quarantined for diphtheria or other diseases, will report any violation by inmates there of, of the health laws regarding quarantined premises.

Regulations are printed on the placard posted on each house, but some persons persist in violating said regulations and thereby endanger the lives of their neighbors. All will therefore protect themselves by reporting such persons and help the Department of Health prosecute those who are unmindful of the health of their neighbors.

Adult residents are not permitted to attend church services, nor are they allowed to enter places of amusement. Children are to be kept in doors when diphtheria exists. All should protect themselves against the carelessness of others, and the public in general will profit thereby.

LOCAL BREVITIES.

Canton, No. 1, Alexandria I. O. O. F., held its first regular drill and inspection, since its summer recess, at Odd Fellows' Hall last night. The inspection was largely attended.

Funeral services for Mrs. George Studds were held this afternoon from her home in West End. They were conducted by Rev. Dr. S. A. Wallis, of the Episcopal Theological Seminary. Burial was in Union cemetery.

There were but two cases before the Police Court this morning. William Kelly, charged with habitaul drunkenness, was sentenced to jail for ninety days. Robert Evans, charged with disorderly conduct, was dismissed.

Graham & Ogden announce the following sales in real estate for this week: House at 217 north Columbus, owned by J. H. and Jeremiah Crilly, and the house at 631 north Columbus street, owned by Mary E. Kline, both houses being sold to the Real Estate and Investment Corporation of Virginia.

The Rammel Cafe has arranged to receive the Illustrated National News Service for the period covered by the world's series games. Photographs will be displayed daily in the cafe, of pictures of the players and incidents of interest that may occur during the playing of the games between the New York Giants and the Philadelphia Athletics. This National News Service will attract much attention in Alexandria, and the Rammel Cafe is fortunate in securing the service for the world series.

Judge Edmund Waddell, who has been conducting a special session of the United States Court in Alexandria for the past three days to dispose of several bankrupcty cases on the docket, will probably finish his business tonight and return at once to Richmond.

OPENING OF SEASON.

Tomorrow, the football team representing the Alexandria igh School will open its season their opponents being Eastern High School of Washington. The game will be called at 3:30 at the bal lpark on North Alfred street.

The A. H. S., has always put up a good article of football and last year its team was one of the best in the state. Though the team now is not as heavy as last year, it is, nevertheless, very fast, and a good game is expected.

The schedule at present, though not complete, is as follows:

October 4,—Eastern H. S., at home.
October 11—Fredericksburg H. S., at Fredericksburg.
October 18—Oakmont A. C., at home.
October 25—Open date.
November 8—Charlotte Hall School at home.

NEW MOVEMENT AGAINST TRUSTS

Government Adopts More Drastic Policy Against Combines.

DEMANDS SEPARATION

Must Tell of Holdings And Purchasers of Stock in Concerns Separated Must Not Get Control.

Washington, Oct. 3.—A new anti-trust policy has been adopted by the Government.

First appearing in the Union Pacific-Southern Pacific dissolution suit, the plan did not attract much attention. But when later suits were filed and in each case the courts were asked to enter a decree similar to that enforced on the Union Pacific, it was seen that here was not a plan, but a policy.

What the new policy placed in force by Attorney General McReynold seeks to do is to dissolve trusts, and then keep them dissolved.

There is no acquiring of control in the subsidiary companies of dissolved trusts by the interests which owned the offending parent company. Instead an affidavit is required of purchasers of stock in dissolved companies certifying tha tthey are not stockholders, nor the agent of stockholders of the trust.

In the telephone and film trust suits, as well as in Union Pacific, this decree was enforced. The courts also will be asked to prepare the same decree in the jeweler's suit, the harvester suit, and the Southern Pacific-Central Pacific suit, now pending. And in the cases under investigation, if they progress far enough, the plan of scattered ownership will be a feature.

When the Standard and Tobacco trusts were dissolved, they were just split into a number of little companies, each stockholder retaining his proportionate share of the properties. The Department of Justice has not been shown that this plan tried by a former administration has succeeded, and now the Administration is trying out a plan of its own.

PRESS ASSOCIATION.

Efforts to Have Alexandria Selected as Next Place of Meeting.

At a called meeting of the Board of Directors of Alexandria Chamber of Commerce this morning, the directors drafted a telegram, a copy of which was sent to Messrs. R. S. Barrett and Alexander J. Wedderburn, who are representing Alexandria in the convention of the Virginia Press Association now in session in Richmond, Richmond, instructing them to do all in their power to secure for this city the next meeting of the Virginia Press Association.

The telegram read as follows:

"The Chamber of Commerce, through their Board of Delegates, desires to extend a most earnest invitation to the Virginia Press Association to make Alexandria the location for the next annual meeting in 1914, and to state to the convention that our best efforts will be put forth to make their visit a pleasant one, and to do all possible to secure the convention and specially request the members to bring their ladies."

WHISTLES ON THE RAMPAGE.

A pall of terror hung over Washington for more than a half hour early last night, when the prolonged weird shriek of a siren whistle sent its distinctive and frightening tones in every corner of the District. Some persons supposed there had been a wreck on the railroad or that a steamer was sinking on the river.

Inquiry elicited that a whistle on one of the locomotives in the Pennsylvania Railroad's New Jersey Avenue yards had broken and couldn't be stopped from shrieking until it had made its run to the station.

About the same time the whistle of a locomotive was on the rampage at the Potomac yards or some other point near Alexandria. It continued its shrieks about fifteen minutes.

SCHOOL BOARD MEETING

Resolutions Excluding Non-resident Children From Schools Rejected

A majority of the City School Board at the regular meeting last night voted against changing the present conditions by which persons residing outside the city but owning property therein and engaging in any licensed business in Alexandria can send their children to our schools. The vote was 6 to 3.

After the committees had been called and some miscellaneous business transacted, Superintendent Sweeney read his monthly report by which it was seen that there are 119 more children in the 6th and 7th grades in the schools at present than last year, and that conditions in these departments are congested.

Mr. L. H. Thompson, in accordance with the announcement made at the September meeting, introduced the following:

Whereas an amendment to section IX of the by-laws of the School Board of the city of Alexandria providing that children of non-residents of said city can enter their children in the schools of Alexandria by becoming property owners and in addition by paying a license tax to conduct business therein, is believed to be detrimental to the interests of Alexandria city, and is liable to be abused; therefore be it

Resolved, That in future only children of actual residents shall be granted permits to enter said schools, an dthat the action of parents residing outside the corporate limits of Alexandria in having temporary guardians appointed for their children during the school year in order to gain admission for the same in the schools of this city be declared of no avail by the clerk when applications for permits are made for such children.

Provided: That children of parents living outside of the city limits be admitted to the public schools of Alexandria after the tuition fee which shall be fixed by the City School Board for such shall have been paid by parents and guardians in advance.

Mr. Ervin opposed the resolutions, as did also Dr. Smith, chairman, and Mr. Howard.

After some interchange of opinion, during which the City Superintendent admitted that certain children having no claims upon our school system were in the schools, Mr. Ervin offered the following as a substitute for Mr. Thompson's resolutions. It is part of section IX of the by-laws, amended, which formerly provided that children of non-residents could secure tuition at the rate of $60 a year in the Alexandria schools:

"Whenever any person who is a non-resident of the city of Alexandria shall desire to enter his child or his ward in any of the public schools of Alexandria, he shall file with the clerk an affidavit, made before a justice or notary public, that he or his ward is an owner of real estate in Alexandria city, in good faith, and a tax-payer and citizen of Virginia, and conducts a licensed business in said city.

The vote being upon the substitute, it resulted as follows: Ayes, Messrs. Bradshaw, Ervin, Kirk, Howard, Myers and the chairman, Dr. Smith—6. Noes, Messrs. L. H. Thompson, A. H. Thomson and Carter.

Messrs. Cox, Nicklin and Pierce were absent.

Mr. Carter then offered the following which was adopted by a unanimous vote:

Resolved, That tuition in Alexandria City Schools be fixed at following rates—payable monthly in advance (for children not entitled to free tuition:) 1st., and 2nd. grades, $10 a year; 3rd and 4th grades, $15; 5th, 6th and 7th grades, $20; High School, $40.

It was decided to elect a vice chairman at the November meeting.

Miss Coralie Greenaway was elected a substitute teacher.

The board adjourned about half-past nine o'clock.

Sullivan, of Washington, district president of the Ancient Order of Hibernians; George McBride, captain of the Washington baseball team; Hon. P. T. Moran, national director of the Ancient Order of Hibernians, Hon. Julian Burke, treasurer of the United States; Rev. J. J. Maguire, S. J., of St. Aloysisus' Church Washington. Among other things the latter said the Catholic Church stands out against intemperance and socialism. The divorce evil, he declared, threatens the country, 100,000 families being broken up annually as a result. Today, he said, the greatest men of the country recognize the correctness of the position of the Catholic Church in its stand against the divorce evil.

During the evening piano selections were given by Misses Madeline Byrne and Mildred Hellmuth.

The committee having charge of the banquet was composed of M. J. McFarland, chairman, C. T. Hellmuth, R. L. Carne, Clarence Moore, Joseph L. Lash, F. T. Quinn, Walter M. Donnelly, William Desmond and J. T. Hill.

The banquet hall was tastefully decorated with palms, ferns, cut flowers and pennants. The tables were decorated very attractively.

TO DELIVER ADDRESS.

Mr. James O'Connel, president of the Metal Trades Department of the A. F. of L., will deliver an address before the members of the Alexandria Trades Council at the next meeting, Monday, October 6th.

NEWS OF THE OLD DOMINION.

W. C. T. U. CLOSES SESSION.

Plan to Commit Legislative Candidates to Temperance Program Discussed.

Luray, Va., Oct. 3.—Early yesterday morning sessions marked the fourth and last day of the meeting of the Virginia Woman's Temperance Union of Virginia. Reports of committees delayed the practical workings of the body at each session. These reports have been lengthy and of a statistical nature, showing wonderful strides made by the organization in eliminating the saloon from Virginia towns and cities, and the distilleries from the rural districts.

Memorial services to those who have died within the past year were held before the routine work of the days' session began. Laxity on the part of officials in the enforcement of existing laws and a plan for the commitment of legislative candidates throughout the State to the temperance propaganda has been the tenor of the organization's annual meeting.

Miss May Russell, of Mississippi, last night delivered an address before the body, following which the meeting adjourned.

LEE GREAVER ACQUITTED.

Young Man Freed After Trial on Charge of Murdering Edward Miller.

Staunton, Va., Oct. 3.—Lee Greaver was acquitted Wednesday night of the charge of taking part in the murder of Edward Miller, who was slain one night in June of 1911. William Greaver and his two brothers were indicted jointly with Lee Greaver for the murder.

Nothing was brought out directly to connect Lee Greaver with the crime. The nearest approach was the statement from J. A. Crawford, a negro, who found the body of Miller on the Chesapeake and Ohio Railroad track, that after leaving the body he was attracted by the striking of a match, and on looking back he saw Lee Greaver, whom he knew well, leaning over the body of Miller with a lighted match in his hand.

BOY'S DEATH MYSTERY.

Efforts Being Made to Find Money Which Sours Had in His Pockets.

Luray, Va., Oct. 3.—Efforts are being made by the county authorities to eascertain exact details of the tragic death of Daniel Sours, 17 years old, who met death at a mountain cliff Monday night, while on a raccoon hunt. It is hinted that the boy may have been shoved over the precipice, after being robbed, as $5 which he had in his pockets when he left home was missing when his body was found after daylight yesterday.

Two negro boys, who accompanied Sours on the hunt on the Blue Ridge mountains, said they believed the boy was blinded by the lantern light and could not see the precipice when he aproached it. All efforts to find the money which the boy carried with him up to this time proved of no avail.

It was a long time before the two negro boys could give an intelligent description of the route to be followed in order to find the body, which had to be carried by men through mountain gorges before it could be placed on a wagon to be taken home.

TWO CHILDREN KILLED.

Train Strikes Buggy, Throwing Them Beneath Wheels.

Pulaski, Va., Oct. 3.—Edgar Withrow, 10-year-old son of D. N. Withrow, and Madge Lowmar, an adopted child, were struck by a switching freight at Dublin yesterday morning and received injuries from which they died.

The girl died in about two hours. The boy was taken to the hospital at Roanoke and died soon after leaving the operating table. Both of his legs were mashed off at the knee, while the girl had an arm crushed and spinal and internal injuries.

They were driving to school when the car struck their buggy, throwing them beneath the wheels. Libbie Tyree, who was with them escaped by catching an iron on the side of the car and holding herself off the ground until the car stopped.

NIGHT ORDERS FILLED.

Antitoxin Needed For Emergencies Can be Had at All Hours.

Richmond, Va., Oct. 3.(Special.)—To insure the prompt shipment of diphtheria antitoxin for use in emergencies, the State Board of Health announced today that it had completed arrangements whereby orders can be filled at any hour of the day or night. An employee of the Board is now on duty at the offices of the Board from 5 a. m., to 9 p. m., and will see that emergency orders are sent out by the first train leaving Richmond. To avoid any possibility of delay, however, the Board is urging the supervisors of counties, as well as physicians with practice among children, to keep antitoxin in stock. All antitoxin distributed by the Board can be used at any time within the limit stamped upon each package and if kept beyond that time can be renewed at small cost. The value of antitoxin, it is pointed out, depends on the promptness with which it is administered.

MOSBY'S MEN GATHER.

Survivors Hold Annual Meeting and Recount Tales of Civil War.

Fredericksburg, Va., Oct. 3.—The nineteenth reunion of the Forty-third Battalion, Virginia Cavalry, commonly known as Mosby's men, was held yesterday.

The members of the command assembled in a hall, where a busines. meeting was held. As the Unite Veterans of Virginia also were holding a meeting, the two combined, and a long procession of automobiles bore the old soldiers to the fair grounds, where they filled the grand stand.

After some interesting exercises, which were presided over by Judge John T. Goolrick, the Confederates adjourned to the lawn, where rations were spread. Here the veterans were regaled on Virginia ham, oysters, cold lamb, fried chicken, coffee, and ice cream.

Col. William Chapman resigned the post of commander, and to fill his place Mr. Boyd Smith was appointed.

Many of the old boys who rode horses after Yanks in their young days, who slept in the woods with a saddle for a pillow and the sky for a blanket, talked over old times. About forty of the members o fth efamous batalion were present. The roll call brought out the sad fact that more than twenty of the comrades had died during the last year.

The next place of meeting was de- a practically unanimous vote. cided upon, Charlottesville receiv ing a practically unanimous vote.

Col. Mosby was not present, but his daughter, Miss Ada Mosby, of Baltimore, and his two grandchildren, Beverly and Pauline Coleman, of Washington, attended.

GETS 5 YEARS FOR 19 CENTS.

Choked by Negroes in Attempt to Steal His Earnings.

Richmond, Oct. 3.—Two colored youths—Ernest Mimms and Joe Price—were found guilty on a charge of robbing Percy Rice, thirteen years old, of 19 cents, and were sentenced yesterday afternoon by Judge R. Carter Scott, in the Henrico Circuit Court, to serve five years each at hard labor. Mimms was arraigned yesterday morning, and was convicted on the testimony of Price, who had previously been found guilty, and given ten years for the crime, but whose sentence was reduced by Judge Scott to meet that of his partner.

The robbery took place more than four months ago. Young Rice, who is a newsboy, was on his way home from work when he was accosted by the two negroes, who seized him and went through his pockets. The entire booty consisted of 19 cents, which the boy had earned by the sale of papers. In the struggle his necktie was torn off, and an attempt was made by the prosecution to prove that the negroes had choked him.

CONDITIONS WILL REMAIN UNCHANGED.

For reasons best known to themselves, a majority of the members of the City School Board who were present at the meeting last night declined to interfere with the present order of things regarding the procedures of certain non-residents in order to obtain admission for their children in the public schools of Alexandria. A resolution which practically excluded children of non-residents except where the tuition fee prescribed by the board shall have been paid was rejected and a substitute allowing the children of patents or guardians who own property in Alexandria and who are engaged in any licensed business in this city to send their children to our schools.

The members of the School Board are elected by the City Council to manage the public schools, and as they last night merely acted within their privileges as trustees, no criticism is made nor is there any intention to interfere with them.

It was shown that one hundred and nineteen pupils above the number of last year are now in our schools and that in some grades there is congestion. An additional teacher has been elected and the board is doubtless doing all possible to meet the demands upon the system.

ANNIVERSARY OF THE SODALITY LYCEUM.

The celebration of the twenty-fifth anniversary of the Young Men's Sodality Lyceum at their hall last night is generally admitted to have formed one of the most interesting chapters in the history of that organization. The program had been arranged by the committee in the most appropriate manner and its features were carried out satsifactorily.

The speeches were animated and enjoyable, and all who attended left for their homes with the happy realization that it was well for them to have been there.

The Young Men's Sodality Lyceum has been a vigorous and popular organization during the past quarter of a century, and the reminiscences of its younger days, as portrayed by one of the speakers last night, were interesting throughout, bringing to the minds of many recollections of the late Father O'Kane, who gave so much of its time and labor to its advancement.

The object of the Lyceum commended itself to the community at the outset. The purpose was to found as it were a home for young people, wherein innocent diversions could be participated in and the mind improved. To this end a gymnasium was installed, books procured and other features introduced which have proven beneficial to all who have availed themselves of their use.

While the Lyceum is composed of Catholics of Alexandria, a cordial reception has ever been tendered to people of other denominations who desired to mingle in social intercourse, some of whom have had extended to them standing invitations to visit the Lyceum at pleasure.

SAFEGUARDING LITTLE ONES.

The late Dr. Livingstone when asked concerning danger from lions in Africa and there was more likelihood of being killed by vehicles in London than by lions n the dark continent. Were the doctor living in the days of automobiles, motorcycles, etc., he would realize that the danger from vehicles in cities has increased enormously.

The National Highways Protective Society in New York has placed its ban on roller skating, "one old cat," pushmobiles, and other juvenile street amusements. The society's September report shows an unusuallly large number of children killed or injured in street accidents.

Edward S. Cornell, secretary of the organization, said that school teachers should warn their pupils of the ever increasing danger of playing on the streets and highways and that clergymen should urge parents to forbid their children to use the streets for playgrounds. Since the first of the year 193 children have been killed on the streets of New York by wheel traffic.

SOME WEIRD WEATHER.

Lightning Dispels Fog in Chicago and Scrambls Eggs.

Chicago, Ill., Oct. 3.—September, which has been marked by unusual fickleness, and ran the entire gamut from prostrating heat to frost, wound up Sunday with a fog of great density and a wierd thunderstorm. The fog made traffic dangerous and difficult, but was hailed with delight by the great criminal element, which worked overtime robbing pedestrians and residences.

One of the bizarre features of the freakish day was a bolt of lightning which thoroughly scrambled thirty dozen eggs when it darted down a tree and demolished the wagon of an egg merchant who had taken refuge there. The horse was knocked unconscious and the owner tossed several feet, but escaped serious injury. More than a hundred school children were in the immediate vicinity, but none of them was seriously hurt.

The black fog, said by life savers to be the worst in their experience, hung over the city until noon, requiring artificial lights everywhere. Automobile lights were undistinguishable 20 feet distant and the machines kept their horns in action constantly. Then came a furious rain and dispelled some of the darkness.

FRUITS AND VEGETABLES.

Abundance of Grapes Now Displayed in Market and Stores.

An abundance of grapes are now displayed by vegetable dealers and at most of the stores of the city. The prices are about as low as they will get this fall.

One of the new vegetables displayed is salsify or oyster plant, which sells for 8c a bunch. There is very little change in the prices of vegetables this week except that cucumbers are higher. They now sell at 5 cents each. New cranberries are now coming in and will soon be plentiful. Fine Tokay grapes may be had two pounds for 25 cents, white grapes 18 cents a basket.

In meats the market offers the usual large variety of the very best quality and at prices that are about the same as last week. Puddings blood and liver, are now on sale.

Chickens are bringing from 30 to 32 cents a pound.

Eggs are higher this week, the very best country selected selling for 40 cents a dozen, while at some stores they are 5 cents less. One of the new fruits now on the market is Florida grape fruit, which sells three for 25 cents.

ON TRIAL FOR MURDER.

Junior Order of Mechanics Man Slain By Brother.

Asheville, N .C., Oct. 3.—Not in many years has such a sensational defense statement been made in the Buncombe County Criminal Court as that made by A. M. West when he was placed on trial for his life charged with the killing of W. J. Clontz, of Alexander, at that place August 11th. The defendant swore that for several years Dr. Clontz was his family physician and that he had severed these relations after learning that the dead man had had improper relations with Mrs. West.

The prisoner swore that a few weeks prior to the killing he was placed on a committee by the Junior Order of United American Mechanics to investigate a report to the effect that Dr. Clontz had betrayed an orphan girl. Dr. Clontz is said to have been a member of the same order and the investigation was being conducted in order that the organization might be advised whether or not the deceased was observing the principles of the order.

West swore that no report had been made by the committee. Dr. Clontz came to see him and told him he would kill him if the report was unfavorable. West swore that the deceased grasped him about the neck and threatened to kill him on the Saturday night prior to the killing and that the next time he saw the physician he killed him, believing that such action was necessary to protect his own life.

Nelson Waldrop, one of the star witnesses for the State, swore that he saw the killing; that Dr. Clontz was met near the Alexander postoffice by West and that the latter told him he must retract certain remarks. The witness swore that the deceased stated that he had made him to throw up his hands commenced firing.

Jacob Lawrence, 45 years old, an electrical engineer employed by the Crystal Ice Company, was killed instantly yesterday afternoon shortly after 5 o'clock by picking up a live wire at Maple Avenue and the Belair road, Overlea, near Baltimore, which had been blown down by the high winds which accompanied the severe storm of yesterday. It is thought that he picked up the wire to place it by the side of the road that others might not stumble over it, never dreaming that it was charged.

JUDGE IGNORES WRIT.

Fines Socialists and Sends Them to Prison For Contempt of Court Despite Supreme Court.

Seattle, Wash., Oct. 3. — Superior Judge Humphries devoted yesterday to hearing cases against 55 socialists cited by him for contempt of court because they had signed "resolutions of defiance" that denounced the judge for his injunctions in street-speaking cases. The judge proceeded with the contempt cases in spite of the fact that the State Supreme Court had issued a writ restraining him in the case of two defendants who had appealed.

Judge Humphries first overuled the defendants' motion for a change of venue because of prejudice on the part of the court. He warned the defendants and their counsel that the filing of such an affidavit was of itself a new contempt.

Kate Sadler, a street orator, was fined $100 and cots and the same fine was imposel upon Mrs. Hannah Anderson, who retorted that she had no respect for the court.

Hulet M. Wells, late Socialist candidate, for mayor, and Glenn M. Hoover, former Assistant Atorney-general of Washington, were fined $100 each and "forever disbarred."

H. O. Saylor and Roy Draper, who did not sign the resolution of defiance, but who applauded Mrs. Anderson in the courtroom when she gave opinion of Judge Humphries, were each sentenced to six months' inmprisonment and to pay fines of $300.

Defendants who explained that they signed the resolution through a misunderstanding were released upon payment of trivial costs.

The defendants who were fined announced in court that they would not pay the fines. Judge Humphries said the prisoners would be placed in the County Stockade, where criminals engaged in clearing land for the county are kept. Appeals to the State Supreme Court, it is said, will be taken.

HUSBAND OF FIVE "WIVES."

Man Charged With Bigamy Gives up Unraveling Tangle.

Kansas City, Kan., Oct. 3.—Details of a marriage tangle so puzzling that even the defendant, O. A. Jacobs, erstwhile husband of five "wives," threw up his hands when asked for details brought out at yesterday's session of the trial of Jacobs in the District Court with bigamy. Jacobs is a horse dealer. Four of the "wives" are living.

The charge was brought by Mrs. Mary Paul Jacobs of this city, who said Jacobs already was united to Mrs. Cora Andrews Jacobs of Kansas City, Mo., when he married her. Under a Kansas law prohibiting remarriage within six months after divorce Jacobs contended both of these marriages were legal since he contracted them within six months after his divorce from Mrs. Merle Maher Jacobs in Fort Scott Kan., and therefore that he was no bigamist.

In return, the state sought to prove that the divorce had no effect upon the case, inasmuch as the marriage in Fort Scott was itself illegal, having been contracted a month before Jacobs was divorced by a preceding wife, Mrs. Kate D. La Master Jacobs, of Jonesboro, Ark., a blind woman.

It was at this point that the horse dealer threw up his hands and asserted that it was impossible for him to remember "all the red tape" surrounding his marrriages.

TRUTH TRIUMPHS.

Alexandria Citizens Testify For The Public Benefit.

A truthful statement of an Alexandria citizen, given in his own words, should convince the most skeptical about the merits of Doan's Kidney Pills. If you suffer from backache, nervousness, sleeplessness, urinary disorders or any for mof kidney ills, use a tested kidney medicine.

An Alexandria citizen tells of Doan's Kidney Pills.

Could you demand more convincing proof of merit?

Mrs. Martha L. Byrne, 209 Wilkes street, Alexandria, Va., says: "I never fail to recommend Doan's Kidney Pills after all they have done for me, and you may continue using the endorsement I gave some years ago. I take this remedy once in a while and to keep me in good health. I was suffering severely from backache. My kidneys were badly disordered and I felt all run down. I was helped so much by the first box of Doan's Kidney Pills that I kept on taking them until I was well."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name, Doan's, and take no other. (16.)

HELPLESS AS BABY

Down in Mind Unable to Work, and What Helped Her.

Summit Point, W. Va.—Mrs. Anna Belle Emery, of this place, says: "I suffered for 15 years with an awful pain in my right side, caused from womanly trouble, and doctored lots for it, but without success. I suffered so very much, that I became down in mind, and as helpless as a baby. I was in the worst kind of shape. Was unable to do any work.

I began taking Cardui, the woman's tonic, and got relief from the very first dose. By the time I had taken 12 bottles, my health was completely restored. I am now 48 years years old, but feel as good as I did when only 16.

Cardui certainly saved me from losing my mind, and I feel it my duty to speak in its favor. I wish I had some power over poor, suffering women, and could make them know the good it would do them."

If you suffer from any of the ailments peculiar to women, it will certainly be worth your while to give Cardui a trial. It has been helping weak women for more than 50 years, and will help you, too.

Try Cardui. Your druggist sells it.

Write to: Chattanooga Medicine Co., Ladies' Advisory Dept., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper on request.

Sure Indications of Lung Trouble

Among the indications of threatened Lung Trouble are a continued cough, fever and night sweats. A change of climate often helps but it seems that something more is needed to stop the cough and sweats and arrest the progress of disease. Eckman's Alterative, after many years of use, is known as the most beneficial in bringing about relief, in many cases complete recoveries. Investigate this case:

Schell City, Mo.

"Gentlemen: I had a terrible cough, night sweats and pleurisy in my lungs. A man who heard me coughing advised me to take your Alterative. I paid no attention to him then. I got so bad the doctor said I should go to Wyoming. I did, and when I got there I steadily grew worse. Then I remembered what had been told me about your medicine. I began taking it with the faithfulness ever, but before I had taken three bottles, I could eat anything. Fever and night-sweats stopped and for over a year I have been well and in better health than I ever was."

(Affidavit) W. P. BOMAR.

(Above abbreviated; more on request.)

Eckman's Alterative has been proven by many years' test to be most efficacious for severe Throat and Lung Affections, Bronchitis Bronchial Asthma, Stubborn Colds and in upbuilding the system. Contains no narcotics, poisons or habit-forming drugs. Ask for booklet telling of recoveries and write to Eckman Laboratory, Philadelphia, Pa., for evidence. For sale by all leading druggists

Button, Button, Who's Got the Button?

Most Everybody Now Has the Famed Hot Springs Liver Buttons.

Dangerous Calomel Not Needed.

Since Hot Springs Liver Buttons were created, constipation, lazy liver and all their train of consequent sufferings have been unnecessary. All any one needs to do is take advantage of this discovery and bid their troubles farewell. Headaches, dullness and heavyness, poor complexion and irritability leave when constipation does; and constipation leaves for good when Hot Springs Liver Buttons are used.

Throw Away Calomel Right Now.

Calomel and all similar drugs are dangerous. Everybody knows that, and yet some continue to use them under the impression that it is necessary to rack their systems and suffer the ill effects in order to end constipation.

Hot Springs Liver Buttons are unfailing, thorough, pleasant in action and leave none of the bad after effect, true of more drastic drugs containing calomel, salts or oil. They will cleanse the bowels of the accumulated body refuse that poisons the blood. Then headaches, dullness and nervous irritability quickly pass away. You will feel like a new person in a few hours.

Get Hot Springs Liver Buttons now—today. Have them on hand whether you need them right now or not. At druggists', 25c. Sample and 100 of our 17,000 testimonials mailed free by Hot Springs Chemical Company, Hot Springs, Ark.
